Maharishi Kanad Post-Doctoral Fellowships

The Institution of Eminence (IoE), University of Delhi invites applications from eligible Indian and overseas nationals with excellent publication record for Maharishi Kanad Post-Doctoral Fellowships in the areas of Public Health, Climate Change & Sustainability, Public Policy & Governance, Transnational Affairs and Skill Enhancement & Entrepreneurship Development.

Eligibility

1. The applicant should have completed Ph.D. from any Indian/Foreign University in the relevant specializations as mentioned below.
2. The applicant should possess a good academic record and an excellent research profile as evident from quality publications in reputed journals of the relevant specialization.
3. The applicant should not have exceeded six years from the date of award of Ph.D. at the time of applying for the fellowship.
4. An applicant having research experience that demonstrates an independent research capability will receive preference.
5. A duly filled application form should be accompanied by a brief research proposal (not more than 2000 words) along with the application, outlining the objectives, brief methodology, deliverables, and the timeline to achieve the stated objectives.

Nature & Duration of Support

1. The Fellowship carries a consolidated remuneration of Rs. 1.00 lakh per month. The IoE will also provide the Fellows an annual research grant of up to Rs. 2.00 lakhs (Sciences) and up to Rs. 1.00 lakh (Humanities, Social Sciences, Law, Management, etc.).
2. The duration of the fellowship will be initially for a period of two years, which may further be extended by one or two years, subject to availability of funds and satisfactory performance of the Fellow, evaluated by an Expert Review Committee.
3. There is no provision for an official accommodation for the selected candidates.

Expectations

1. The Fellow may initiate a novel research project with the promising outcome or research work culminating in high-quality peer reviewed research publications/patents /prototypes, etc. or collaborate with a faculty member's on-going research programme at the IoE/University of Delhi.

2. The research proposal must establish an intellectual inquiry that can progress according to the plan she/he has outlined and also a product/patent/policy/research publication(s).
3. In addition to research assignments, the fellow may have to undertake teaching/ design and execute courses and any other responsibility as assigned by the IoE.
